FREQUENTLY ASKED QUESTIONS

Who should attend the 2024 Training?

- Those new to restorative practices in K-12 schools – administrators, teachers, support staff
- New staff in any school community unfamiliar with restorative practices
- Those already implementing restorative practices in discipline
- Come as a team for effectively implementing systemic changes in your school
- This training is specific for schools, but ALL will benefit because it emphasizes policies, procedures, and relational practices

Restorative Practices is the science of relationships, ways to improve them in communities, and effective strategies for transforming conflict. This training will provide a new vision for your school community along with strategies for restorative policies and procedures.

The interactive dynamic can help all practitioners at any level gain proficiency and deeper understanding about cultivating quality relationships both personally and professionally integrating habits for human excellence found in the virtues. Experience the community building practices within a restorative framework together with your peers. Discover new insights, plan for implementation, and share the experience!

What is included in the cost per person?

Each training provides foundational teachings for successful implementation of restorative practices including circle processes; low, mid, and high-level responses; dynamic speakers, and hallmarks of restorative communities. Expect to hear panels short lectures with PowerPoint, watch videos, engage in reading activities, reflect and discuss in small groups. Light snacks & lunch are included. Go to www.restorationmatters.org for more information and to register.

Additional Basilica Tour and Dinner: Wednesday evening we will enjoy a tour of The Basilica of Saint Mary and the inspiring art collection there followed by dinner. This option is \$40 per person.

Additional details for exploring Minneapolis will be provided for your time after each day ends.
