

Professional Development Training

This is for all your staff needing skill-based training tailored to your specific needs and/or level of knowledge and experience.

Learn the hallmarks of restorative practices

- 1. Circles**
- 2. Social Discipline Window**
- 3. Fair Process**
- 4. Conflict Transformation Circles**

This can be a one-day interactive general overview that includes basic training in circle processes, or a two-day training that includes basic training in circles training and promotes self-reflection as a standard practice, integrating restorative principles in school, business, or community/govt organizations.

Participants can benefit both personally and professionally. Contact us to discuss your needs:
